

All About The Candy Cane

- The original candy cane had a shape different than the modern day design. It was straight, all white, and hard.
- National candy cane day is celebrated on December 26 in the United States.
- The first candy cane was made over 350 years ago.
- The first historical reference in America to the candy cane dates back to 1847. A German immigrant from Wooster, Ohio decorated his Christmas tree with candy canes.
- Red and white striped candy canes were first made around 1900.
- The traditional candy cane flavor is peppermint, however, it is also made in a variety of other flavors and colored stripes.
- Over 1.76 billion candy canes are made each year.
- The biggest candy cane ever made was 36 feet 7 inches.
- Candy canes are sometimes as a topping for foods such as ice cream or as an additive to drinks such as hot chocolate. They are hung as decorations on Christmas Trees.
- Nearly 2 billion candy canes will be sold in the four weeks before Christmas and Hanukkah.
